My employer pays me late every month

Arbeit | 12.04.2026 11:53 | Jurek | 2 votes | 1726 views

Salary always 1-2 weeks late. Contract says end of month.

✓ Accepted answer

Send **written warning** (Abmahnung). After 2+ months late: you can refuse to work (Zurückbehaltungsrecht). You can claim interest (5% above base rate). Go to **Arbeitsgericht** — no lawyer needed for first instance.
