What is Kurzarbeit and how does it affect me?

Arbeit | 12.04.2026 11:53 | Jurek | 6 votes | 596 views

My company mentioned Kurzarbeit. Should I be worried?

1 answers

✓ Accepted answer

Kurzarbeit = short-time work. Your employer reduces hours temporarily instead of laying off. You receive **Kurzarbeitergeld** (60% of net pay, 67% with children) from Agentur für Arbeit for reduced hours. Your job is PROTECTED. Health insurance continues. You should file a Steuererklärung — you'll likely get money back.
