## The 12 Mandatory Sonderfahrten

Regardless of driving ability, **12 Sonderfahrten** are legally required:

- **5 country roads** (federal road)
- **4 motorway drives**
- **3 night drives** (dusk/darkness)

The number of regular Fahrstunde depends on your learning progress. On average, driving school students need **25-40 Fahrstunde**.

## Process of Obtaining a Driver's License

- 1. Register at a Fahrschule** — pay registration fee, sign contract
- 2. First Aid Course** — 9 teaching units (1 day), providers: DRK, ASB, Malteser
- 3. Eye Test** — at any optician (approx. 7 €)
- 4. Submit Application** to the driving license authority
- 5. Theory Classes** — 14 double hours (12 basic + 2 class-specific)
- 6. Theory Exam** — multiple choice on computer, 30 questions, max. 10 error points
- 7. Practical Fahrstunde** — practice drives + 12 Sonderfahrten
- 8. Practical Exam** — approx. 45-55 minutes, examiner from TÜV/DEKRA

## Failure Rate and Retakes

- **Theory Exam:** Failure rate approx. 34%. Retake after **14 days**, costs: 23 € + optional additional training
- **Practical Exam:** Failure rate approx. 29%. Retake after **14 days**, costs: 117 € + optional additional Fahrstunde

## Money-Saving Tips

- **Compare Fahrschule** — prices vary by up to 30%
- **Intensive Course** — 2-4 weeks crash course, often cheaper due to less forgetting

- **Learning Apps** — driver's license apps (e.g., "Führerschein 2026") for theory exam
- **Need Fewer Fahrstunde** — those who have already driven abroad often need fewer hours

**Tip for Foreigners:** First check if your foreign driver's license can be **transferred** (→ article "Führerschein umschreiben"). This saves 1,000–3,000 €.
